About DOVR

Our Mission:

DOVR provides a safe, inclusive, and calming wilderness immersion for veterans and civilians alike. It's a place for veterans to Return, Rest, and Renew among a welcoming community.

Giving Back to Vets

Providing a wilderness retreat where all veterans are free to escape the chaos of modern life

Fostering a community in which veterans of all backgrounds can come together in camaraderie

Creating opportunities for vets to connect with nature through activities like hiking, fishing, hunting, and UTV/ATVing

Hosting community-driven veteran appreciation events

The Friends of DOVR are absolutely essential in helping us support vets. Members help DOVR maintain our campground as a peaceful retreat, and sponsor community-driven veteran appreciation events.

Members help guide DOVR's direction as each membership includes one or more votes at DOVR's annual meeting. Members also enjoy admission to members-only events.

Membership is available for both personal and family. Ask about corporate sponsorship. All membership dues and other deductions are tax deductible to the extent allowable by law.

If you'd like to learn more about becoming a Friend of DOVR, please fill out the form below. Thank you for your interest in supporting DOVR!
